MAYOR'S WELCOME MESSAGE

Tour de Valley Heading for Classic Status

From small beginnings, great cycling races emerge. This is what is happening with the Tour de Valley and Kirra Criterium.

2017 is the sixth edition of the event and each year has seen growth in the number of competitors and the circuit audience.

And why not? This event is very professionally organised and both races take in superlative scenery – some of the best anywhere.

Last year the event attracted a total of 645 competitors and the crowd topped 2000. We are all hopeful it will be even bigger this year. Combining the Tour with the Criterium in 2015 and expanding the event to two days has proved to be a winner

Proof of the assured future of the Tour is that it attracted 24 participating clubs last year from Ballarat to Cairns as well as riders from India, New Zealand and the United Arab Emirates.

Reinforcing Gold Coast's very inclusive approach to locals and visitors, this event caters for competitive, amateur and recreational cyclists of all abilities.

I am particularly pleased that the Tour is supporting the Amy Gillett Foundation which is committed to reducing the death and injury toll of bike riders. A very worthy cause.

I hope everyone who participates this year whether as an official, a rider or a spectator has a wonderful time. Enjoy!

TOM TATE
